

VÍTEJTE V GOLDEN EYE.

Druhé koktejlové menu je cestou napříč Asií – ne jako geografickou mapou, ale jako pulzujícím prostorem subkultur, které formují identitu měst, generací a nočního života. Inspirujeme se světem, kde se tradice potkává s moderním rebelským výrazem, kde se ulice stává galerií a bar je místem vyprávění.

Nejde pouze o to, co pijete.
Jde o příběh, který držíte ve sklenici.

Nechte se vtáhnout do světa, kde se kultura stává
koktejlem a koktejl vyjádřením postoje.

WELCOME TO GOLDEN EYE.

Our second cocktail menu is a journey across Asia — not as a geographical map, but as a vibrant space of subcultures that shape the identity of cities, generations, and nightlife. We draw inspiration from a world where tradition meets modern rebellion, where the streets become galleries and the bar becomes a place of storytelling.

*This is not only about what you drink.
It is about the story you hold in your glass.*

Allow yourself to be drawn into a world where culture becomes cocktail and the cocktail becomes an expression of attitude.

BUA KAO

345 CZK

Absolut Elyx, Vanilla, Lychee Liqueur,
Sakura Bitters, Jasmine Cold Brew Tea

Brut Bua Kao – white lotus in Thai.

*Across the temples of Southeast Asia, white lotus
flowers are carried in silence and laid before
the Buddha – a simple offering, heavy with meaning.
The gesture speaks of gratitude, reverence and the quiet
search for inner balance. In that brief moment, the noise
of the world softens, and stillness takes shape.*

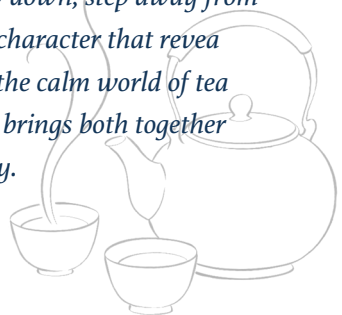

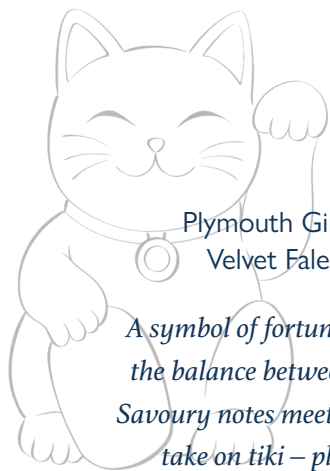

PAUSE & SIP

355 CZK

Gin Sul, Genmaicha Cordial, St-Germain,
Birch, Super Acid Solution, Matcha

*This cocktail draws inspiration from the ritual of tea, where
the experience is about more than just flavour – it's about
the moment itself. It invites you to slow down, step away from
the noise, and focus on the delicate character that reveals
itself sip by sip. A bridge between the calm world of tea
and the vibrant energy of the bar, it brings both together
in quiet harmony.*

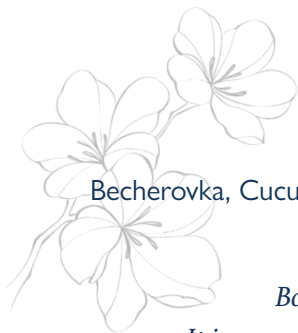

MANEKI NEKO

345 CZK

Plymouth Gin, Celery Apple Cordial, Fresh Lime,
Velvet Falernum, Banana Liqueur, Sesame Oil

A symbol of fortune and positive energy, this cocktail explores the balance between umami depth and refreshing brightness. Savoury notes meet a clean, lively character, creating a modern take on tiki – playful yet refined. A drink that feels both grounding and uplifting, like a small invitation to good luck.

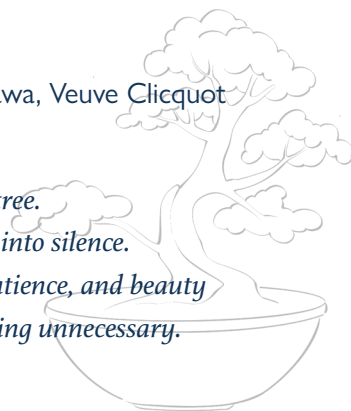

BONSAI

425 CZK

Becherovka, Cucumber, Basil, Supasawa, Veuve Clicquot

*Bonsai is not a small tree.
It is a great idea concentrated into silence.
BONSAI is a cocktail of discipline, patience, and beauty
that emerges by removing everything unnecessary.*

If you have any concerns regarding food allergies, please alert your server prior to ordering.

All prices are listed in CZK and include VAT at the current rate.

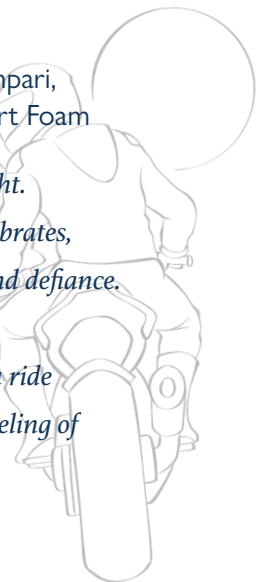

10% gratuity will be added to the final bill for groups of six guests and above

KAMIKAZE MIDNIGHT RUN

355 CZK

Woodford Reserve, Cocoa Butter, Campari,
Punt e Mes, Gloria, Anise, Blueberry Yogurt Foam

*Bosozoku – the engine starts at midnight.
The street turns into a stage, the asphalt vibrates,
and the air is saturated with gasoline, metal, and defiance.
Kamikaze Midnight Run is a liquid
manifesto of Bosozoku – nights when you ride
without a destination, driven only by the feeling of
freedom and collective power.*

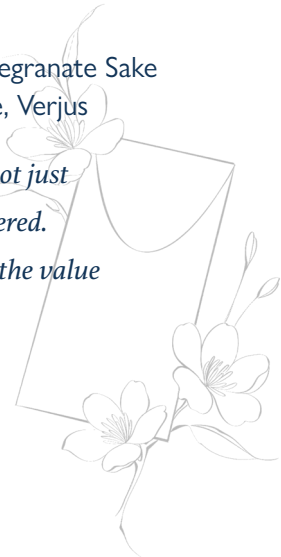

HONGBAO

345 CZK

Chivas Regal 12 Years, Coconut Oil, Pomegranate Sake
Cordial, Cointreau, Dark Chocolate, Verjus

*Like a perfect cocktail, it is crafted not just
to be consumed but to be remembered.
Because Hongbao culture is not about the value
inside the envelope.
It is about the gesture.*

SILENT BALANCE

1095 CZK

The Macallan 12 Years Double Cask, Maple Miso,
Umami Bitters, Colosia Gutiérrez Fino Sherry

At first glance, calm.

At first sip, tension.

*Silent Balance is a liquid expression of the Yin–Yang
principle — not as a symbol, but as an experience.*

It does not lean to either side.

It exists precisely in between.

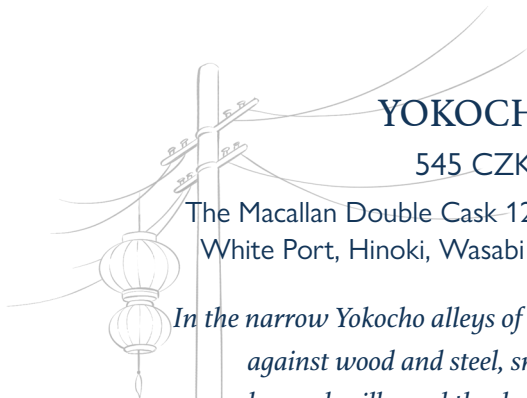

YOKOCHO

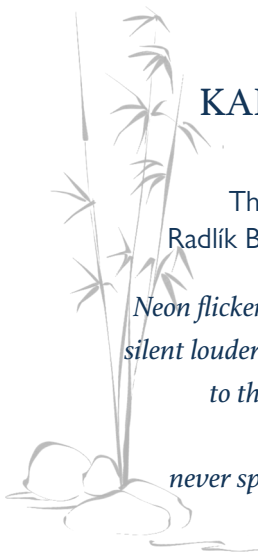

545 CZK

The Macallan Double Cask 12 Years, Lemongrass,
White Port, Hinoki, Wasabi Green Apple Soda

*In the narrow Yokochō alleys of Tokyo, lanterns flicker
against wood and steel, smoke curls from
charcoal grills, and the day loosens its grip.*

*Izakaya is not a place of ceremony, but of release where
ties are loosened, laughter grows louder and the first shared
kanpai marks the crossing from duty into night.
Strangers become neighbors, the bartender becomes host and
every table feels like a small, temporary home.*

KABUKICHO AFTER DARK

645 CZK

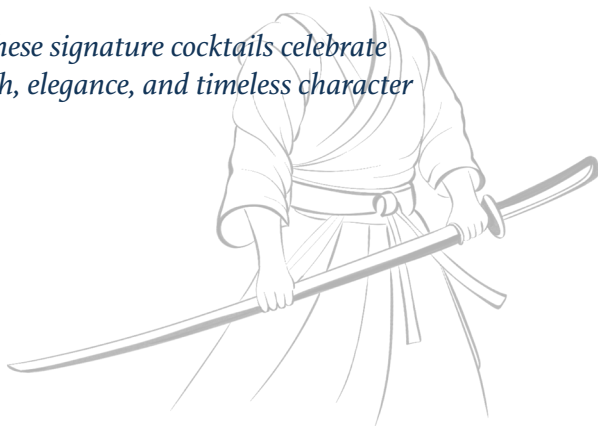

The Macallan 12 Years Double Cask,
Radlák Black Walnut, Dolin Rouge, Plum Bitters

*Neon flickers, the piano plays slowly, and the street falls
silent louder than words. Black Mirror, 3 A.M. is a tribute
to the world of Nikkatsu Noir — Japanese
noir elegance, where the truth is
never spoken aloud and decisions ripen in silence.*

Crafted in collaboration with

THE
MACALLAN

*These signature cocktails celebrate
depth, elegance, and timeless character*

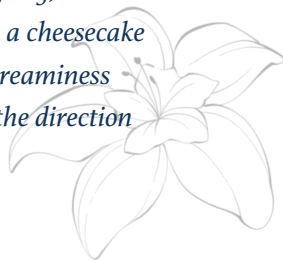

MOONLIGHT CAKE

345 CZK

Havana Club 3 Años, Colosia Gutiérrez Oloroso Sherry,
Orgeat, Raspberry, Lemon, Philadelphia Cream Cheese

*Lolita fashion cocktail reflects fragility,
softnes and doll like elegance. That is why a cheesecake
note could not be missing – its gentle creaminess
and delicate sweetness perfectly express the direction
we wanted to take.*

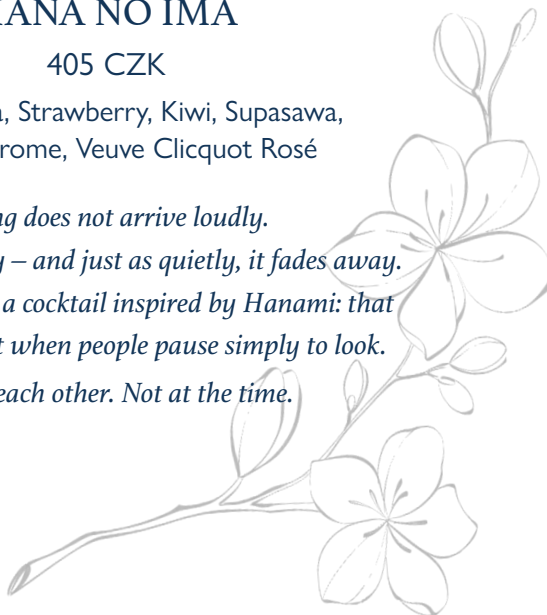

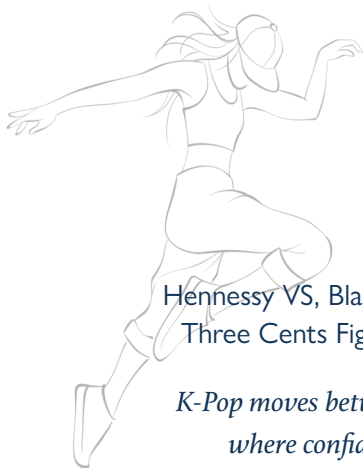

HANA NO IMA

405 CZK

Becherovka, Strawberry, Kiwi, Supasawa,
Sakura Arome, Veuve Clicquot Rosé

*Spring does not arrive loudly.
It appears quietly – and just as quietly, it fades away.
Hana No Ima is a cocktail inspired by Hanami: that
fleeting moment when people pause simply to look.
Not at each other. Not at the time.*

ID NEON

365 CZK

Hennessy VS, Black Lime, Blackberry Ponzu Shrub,
Three Cents Fig Leaf Soda, Amaro Montenegro

*K-Pop moves between precision and play – a world
where confidence is choreographed, colors
pulse to the beat and every gesture
reflects a version of the self.*

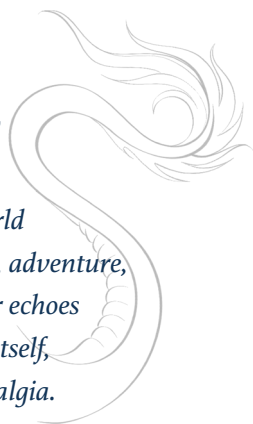

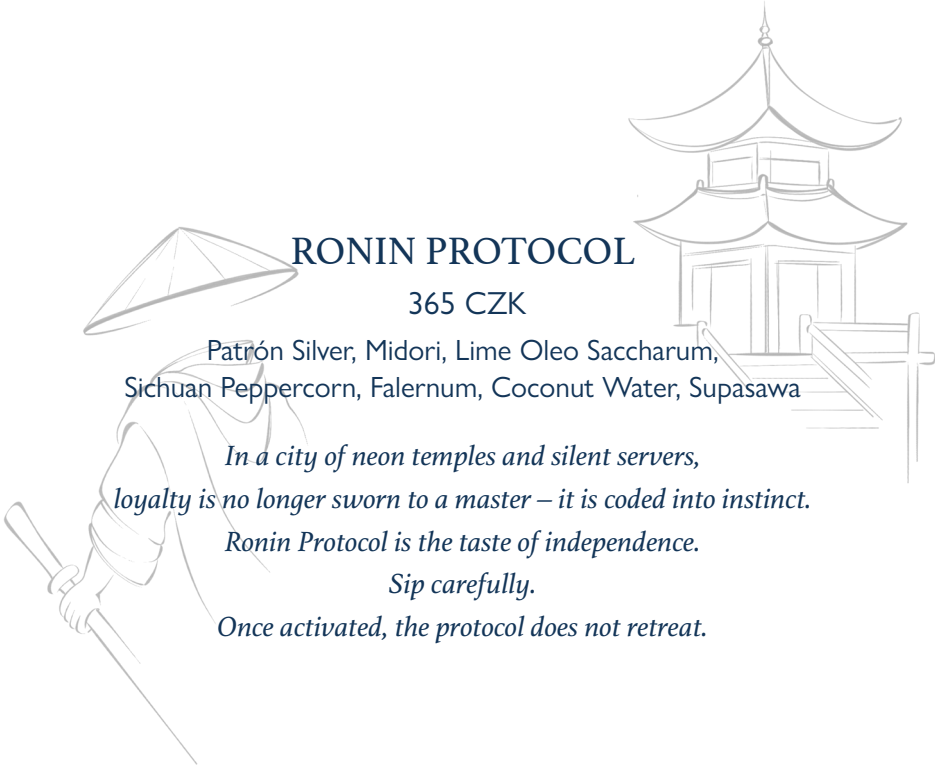

SHENRON WISH

375 CZK

Del Maguey Vida, Martini Floreale,
Black Cardamom Soda, Agave

*“Shenron Wish” is inspired by the world
of Dragon Ball – a tribute to the feeling of hope, adventure,
and childhood wonder. Its smoky character echoes
the strength and mystery of the dragon itself,
while playful notes bring a touch of nostalgia.*

RONIN PROTOCOL

365 CZK

Patrón Silver, Midori, Lime Oleo Saccharum,
Sichuan Peppercorn, Falernum, Coconut Water, Supasawa

*In a city of neon temples and silent servers,
loyalty is no longer sworn to a master – it is coded into instinct.*

Ronin Protocol is the taste of independence.

Sip carefully.

Once activated, the protocol does not retreat.

ALCOHOL FREE COCKTAILS & LOW ABV

SHAOLIN WUSHU*

295 CZK

Martini Floreale, Orange Juice,
White Chocolate, Fennel Oleo Saccharum

*Within the Shaolin tradition, discipline is not
built on force alone. True mastery arises when movement
flows naturally, guided by awareness rather than struggle.*

*Wu Wei embodies this philosophy: the strength to act
without effort, the calm confidence that comes
from balance, and the clarity to let intuition lead.*

OTAKU MODE*

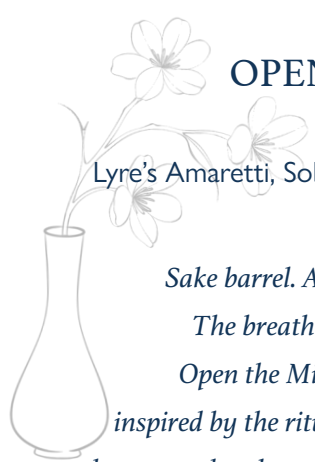

285 CZK

Beefeater 0.0%, Supasawa, Cranberry, Watermelon, Shiso

The screen glows, the world goes quiet.

*Otaku Mode is a cocktail about complete immersion
into one's own universe – where passion for anime, games,
and pop culture replaces reality.*

OPEN THE MIRROR*

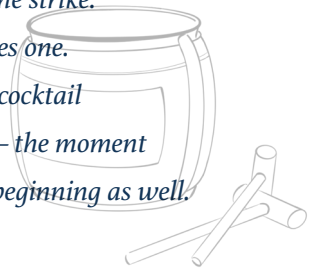

295 CZK

Lyre's Amaretti, Soba Tea, Three Cents Pineapple Soda,
Coconut Water

Sake barrel. A ritual. Silence before the strike.

The breath of the collective becomes one.

*Open the Mirror is a non-alcoholic cocktail
inspired by the ritual of Kagami Biraki — the moment
when not only a barrel is opened, but a new beginning as well.*

** It is possible to craft a drink with a low ABV (alcohol by volume)*

*High above the city, where timeless elegance meets
contemporary creativity, every cocktail tells a story.
We hope you have enjoyed discovering ours as much as
we enjoy crafting them for you.*

*Whether this is your first visit or one of many, thank you
for being part of the Golden Eye experience.
May the flavors, conversations, and views stay with you
long after the final sip.*
